ADJOURNMENT SPEECH

30 August 2022

Debates – Fourteenth Assembly, Fifty Fifth Session – 30/08/2022
Parliamentary Record No: 55

Mrs HERSEY (Katherine): Mr Deputy Speaker, this evening I speak about a few things that have happened since Parliament last time. As the month of August comes to a close so does the Seniors Month calendar. It was a pleasure to attend COTA's Seniors Expo in Darwin earlier in the month. It was a great morning with so many more stalls than last year, singing and dancing by the seniors—which was fantastic—to the old music, which I thoroughly enjoyed. There were many service providers there also to assist seniors in a number of ways.

In Katherine we held a movie with a morning tea supplied by my office staff, Jacquie, Lis and I baked homemade goods and put together a beautiful morning tea followed by a movie at the Katherine Cinema run by the extremely competent Ethan Grahek, who is Infinity Prism Entertainment. Ethan sourced out the movie Operation Mincemeat, which the seniors thoroughly enjoyed. It was a movie which showed the successful deception operation of WWII, to disguise the 1943 Allied invasion of Sicily. We had plenty of support from the seniors, who thoroughly enjoyed the movie as well.

This is an extract from the daily Hansard and is not in its final proofed version.
