Selfie with a Senior art award celebrates seniors' wisdom

The **Selfie with a Senior Award 2024** is organised by Tactile Arts and sponsored by the Northern Territory Government, NT Seniors Card and COTA NT.

This award coincides with the Portrait of a Senior Territorian Art Award, which recognises and celebrates the achievements and contributions of senior Territorians to our community. The *Selfie with a Senior Award* is an innovative avenue for individuals to participate in the prestigious Portrait of a Senior Territorian Art Award.

This unique category invites participants to submit a photograph featuring themselves and a senior, along with a statement of how the senior has inspired them. This senior could be a mentor, teacher, coach or a person who has supported and inspired people. A person to look up to.

Selfie with a Senior

Submit a photo of yourself with a Senior along with a statement of how you have been inspired by them.

“We are delighted to sponsor the **Selfie with a Senior** award this year,” said Sue Shearer, CEO of COTA NT. “Celebrating relationships, sharing words of wisdom and having a giggle with a selfie photo-shoot made supporting this award a no-brainer for COTA NT and NT Seniors Card. We hope to see plenty of entries from super-seasoned selfie takers from Generations Y, Z Alpha and Beta!”

A prize of \$1000 is available for the winning applicant with applications judged on the photograph and statement. The competition is open to individuals over the age of 16 on the application closing date.

Entries close on Friday 19 July 2024.
